

Power employees protest against privatisation

■ STATE TIMES NEWS

KATHUA: Jammu Kashmir Power Employees Coordination committee organised a protest programme at District Kathua Power Station under Sub Transmission Sub Division -11 Hiranagar under the leadership of H.D Singh Member of JKPECC Jammu against the recent Govt's decisions to fully privatize the distribution companies of UTs including J&K in power sector and introduction of obnoxious Electricity Bill 2020 in the coming parliament session aiming at handing over the power sector to private contractors, multinationals and big business fully.

They appealed all the Unions of power sector in J&K to unite under a single platform to safeguard their hard earned service rights and save this vital sector which is life line of economy.

Members of Jammu Kashmir Power Employees Coordination Committee staging protest.

They also appealed to Lt Governor and administrative Secretary PDD that convey the government of India in meeting which is scheduled on 20/07 2020 on privatisation of Power sector in UTs of India that the employees are against the privatisation of power, and make a clear policy on privatisation of power sector in J&K otherwise power employees coordination have no other option to go

on agitation.
